

What Makes a Great Elementary School Program?

An Environment that:

- has classrooms full of happy, involved students;
- has interesting and developmentally appropriate materials;
- has a safe, stimulating, and educational outdoor setting.

Curriculum that:

- challenges and integrates real-world materials in a fun way;
- is flexible to meet students' needs;
- provides a solid core foundation in preparation for middle school.

Teachers who:

- are good role models in life;
- successfully connect with and engage each student;
- are certified, experienced, well-trained and
- enthusiastic.

We've got it all!
